RE: Final Fact Sheet and Permit for StarKist Samoa, Inc.,
NPDES Permit No. AS0000019

Dear Mr. Butler:

The U.S. Environmental Protection Agency ("EPA") has issued a final National Pollutant Discharge Elimination System ("NPDES") permit for:

StarKist Samoa, Inc.,
Atu'u, Maoputasi,
American Samoa 96799.

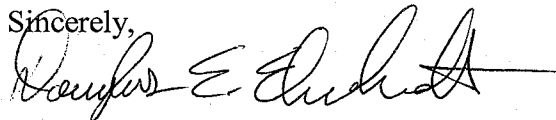

The public comment period was from January 9 to February 7, 2008. During the public comment period, several comments were submitted to EPA by **gdc** on behalf of StarKist Samoa, Inc., on the draft NPDES permit for the StarKist Samoa, Inc. facility. No other public comments were received on the draft NPDES permit. On February 19, 2008, EPA provided **gdc** and StarKist Samoa, Inc. a response to these comments. After considering the expressed views of all interested persons and agencies, and pertinent federal and American Samoa statutes and regulations, EPA has issued a final NPDES permit which does not differ significantly from the draft permit. Please find enclosed the final fact sheet and final NPDES permit.

The final NPDES permit is hereby issued upon the date of signature and shall become effective 33 days from the date when the final permit was signed unless there is a written request for an evidentiary hearing for the permit. Pursuant to 40 CFR 124.74, a request for an evidentiary hearing must state each of the legal or factual questions alleged to be at issue and must demonstrate one of the following for each issue being raised in the hearing request: 1) that the issue was raised during the public comment period; or 2) that the requester could not have reasonably anticipated the relevance or materiality of the issue during the comment period. Any request for an evidentiary hearing must be submitted within 33 days from the date when the final permit was signed.

EPA will routinely deny any evidentiary hearing request which is postmarked later than the 33rd day from the date when the final permit was signed. Also, EPA will routinely deny any evidentiary hearing request which raises only legal issues. Any denial of a request for an evidentiary hearing may be appealed to the Administrator within 30 days from the date of notice of the denial. The requester must exhaust all administrative review before seeking judicial review.

If you have any questions regarding the draft permit or permitting process, please contact Mr. Carl Goldstein by telephone at (415) 972-3767 or electronic mail at goldstein.carl@epa.gov.

Sincerely,

Douglas E. Eberhardt
